People of Dubai Walk the Talk at BurJuman's Pink Walkathon More Than 4000 People Walk to Raise Awareness for Breast Cancer

More than 4000 people participated in the 3rd BurJuman 'Pink Walkathon'. The charity walk is one of the major events in BurJuman's Safe and Sound campaign, now a year-long initiative aimed at raising funds and awareness for the fight against breast cancer.

Men, women and children of all ages and fitness levels wearing Safe and Sound T-shirts and caps, joined senior BurJuman officials and breast cancer survivors in the 3.6-kilometer walk, which began at 8.00 am at BurJuman.

"The people of Dubai came out in full force today to support Safe and Sound – a true testament to the generous spirit of this city," said Sabina Khandwani, head of PR and marketing, BurJuman. "The enthusiasm was heartening to see and bodes well for the future as we embark on our journey to make Safe and Sound a year-long public education initiative centered on early breast cancer detection, diagnosis and treatment."
